The Montville Youth Football League's Executive Board is reaching out to the local communities for their support. We are looking to raise \$14,000.00 to help pay for necessary upgrades to our program such as new scoreboard, updated safety items for both football/cheerleaders, helmets, new shoulder pads and also practice gear for the football/cheer programs.

It's important for us to reach out and maintain a community relationship within our local and neighboring town's and your businesses to help support each other. As the children of our communities grow older its essential we continue to provide them with the safest and most up to date equipment for them to be successful and build self confidence in our youth athletes.

We are asking you to support us in the first MYFL Golf Tournament & Tyler Quidgeon Memorial Scholarship Fund. A portion of your registration fee will go towards the Tyler Quidgeon Memorial Scholarship fund and take us one step closer to making our event successful. Your donation(s) will go directly to helping Montville Youth Football League update any and all safety equipment for both our football players and cheerleaders.

We at MYFL wholeheartedly thank you in advance for your contribution. You have no idea how much it means to us to have your support.
